Crossroads of HIStory

Hosted By
Pastor Steve Troxel, Shepherds' Support and Arlie Francis, Ariel Ministries

Jesus was a Jew. He stepped out of eternity past into the first century world of Jewish history, culture, and geography. Born into a Jewish family, He grew in wisdom and in stature, and in favor with both God and men. Facts concerning His first coming were delivered by Jewish prophets to the Jewish people hundreds of years before His birth. Some Jewish people looked for His coming, but most did not. HIStory can only be understood in light of what the Bible teaches about God's unfolding drama.

This tour is your opportunity to begin understanding God's plan for the world, and His desires for your life in ways you may never have considered. Join us for this once-in-a-lifetime adventure.

Dear Friends,

We would like to invite you to join us for a once-in-a-lifetime experience. For those of you who have traveled with us before, you understand how exciting and enjoyable these times of fellowship and study can be. We have discovered that many who do not know one another beforehand, come home as life-long friends. Bonds are formed that are not easily broken. We eat the same food, travel in the same bus, see and experience the same sights and sounds. The hotels are among the best for the price and include buffet breakfasts and dinners. Many experienced worldwide travelers state that these trips with other believers are the best trips they've ever taken.

We do not want you to miss out on this extraordinary opportunity to broaden your understanding of your faith and deepen your knowledge of the Bible. This trip is co-hosted by Pastor Steve Troxel of Shepherds' Support and Arlie Francis of Ariel Ministries. We are committed to making this both a learning and fun experience. Sign up early and reserve your space. We are limiting the group to forty. We look forward to this exciting time with you.
